Tuesday, June 7, 1949, Room 317, State House.

To consider raising the amount of insurance on County properties.

In the absence of the chairman, the Vice-chairman, Mr. Lane Dwinell, called the meeting to order at 4:15 p.m. and appointed Mrs. Edith P. Atkins temporary clerk of the meeting.

Present: at this time 19 out of 37 members, constituting a quorum, as follows: Brown, Chamberlin, Willey, Williams, Atkins, Chamberlin of Haverhill, Clough, Perry, Adams, Cole, Dwinell, Edson, Gardner, Kelley, Orr, Dusik, and Bell. Within a short time the following came in: Wheeler, Dunbar, Grass, Fuller, Holden, Hamilton, and Loizeaux.

The minutes of the last meeting were omitted because of the absence of the Clerk, Mrs. Wheeler.

The Vice-Chairman read a report made by Bigelow, Kent and Willard to the Chairman, Mr. Hamilton, concerning the estimated replacement value of the county properties, and the recommended amount of insurance thereon.

This firm estimated the current cost of replacement of the properties at $872,500, but considered that there would be a 15-20% reduction of building costs in the near future; they therefore recommend carrying insurance on a total replacement cost of $600,000 to $650,000.

Mr. Clough asked for the existing insurance in detail, on a total value of $450,000. As they were read, Mr. Dwinell marked the figures opposite the current schedule from Bigelow, Kent and Willard, on a total replacement cost of $872.500.

It was moved by Mr. Willey and seconded by Mr. Kelley, "That the sum of $1,500.00 for the year 1949 and the sum of $1,000 for the year 1950 be raised for the

purchase of additional insurance on the county property." This was to meet the recommendation of the engineering firm above.

A previous figure for increased insurance on a first year basis of increase value of $250,000 at a cost of $2,-500 for the first year and $1,400 the second year was mentioned. Mr. Clough inquired concerning co-insurance on a basis of $707,000.

Mr. Edson spoke in favor of Mr. Clough's suggestion, expressed himself as not in favor of full coverage but not opposed to additional coverage.

Discussion by Mr. Clough, Mr. Willey, Mr. Hamilton, Mr. Cole, Mr. Kelley, concerning co-insurance, mutual insurance, and a non-assessable clause.

The acting chairman, Mr. Dwinell, repeated the parliamentary situation for the benefit of late comers.

Question by Mr. Hamilton, would increase of insurance be pro-rated at discretion of insurance agents.

Question by Mr. Edson, concerning complete coverage of some buildings and taking care of others ourselves.

Mr. Kelley recommended proportionate increase of insurance on all buildings with the increased value of building at 75% of replacement value.

Discussion by Mr. Cole and Mr. Clough.

The question was called for.

On a voice vote the ayes had it with no noes, and Mr. Willey's motion was passed.

Other business brought before the meeting.

Mrs. Wheeler questioned licensing the hospital at the County Home, at a cost of $1,500 for equipment, referring to the report by Mrs. Mary Swoboda with regard to making the hospital eligible for a license. A license as a nursing home would require no new equipment. Mrs. Wheeler stated that Mrs. Swoboda and Dr. Mary Atcheson recommended nursing homes, to care for chronic cases.

Question by Mr. Hamilton and remarks by Mr. Bell, Mr. Edson and Mr. Willey.

Mr. Dwinell read the letter sent from the State Board of Health to our County Commissioners re. licensing the County Farm as a Hospital. They recommend licensing it as a nursing home to avoid the necssity of purchase of much additional equipment.

Question by Mr. Cole and remarks by Mr. Edson, Mr. Bell and Mr. Clough.

It was moved by Mr. Edson and seconded by Mr. Cole that the matter be laid upon the table.

Remarks by Mr. Cole, Mr. Clough and Mr. Bell.

There being no further business to bring before the meeting it was moved and seconded to adjourn, at 5:00 p.m.

REPORT OF COUNTY COMMISSIONERS

To the Citizens of Grafton County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Grafton County herewith present the annual report of the Commissioners, Treasurer, Auditors, Superintendent of County Farm, Jailer, Clerk of Court, Solicitor, Sheriff, Chaplain, Physician and County Extension Service.

COUNTY FARM

There has been a slight increase in our per capita cost. However, we believe these costs of operating have reached their peak. We have had to continue our program of replacements of tools and equipment. The Delegation appointed a special committee to study our needs. Their investigation and report resulted in the Delegation voting an additional appropriation of $10,-050.00 for the purchase of new equipment. Following is a list of equipment, both Farm and Almshouse, that was purchased with funds raised under this vote.

Farm		Almshouse
Hay Rake	Barn Ventilators	Refrigerator
Tractor	Truck Body	
Field Chopper	Planter	
2 ton Truck	Lime Sower	
Hay Loader	Spreader	

These purchases were all very much needed and now contribute immensely to the efficiency of the plant. If normal repairs and replacements are made each year in the future, the County Farm should never have to have a large appropriation again for items of this nature.

The general condition of the Farm and buildings is good. The herd of Holstein cattle has received awards at three Fairs this year and the County continually receives compliments on the fine condition of this herd.

FINANCES

The financial condition of the County is sound. The 1950 budget carries an item to pay for the new duplex house, which is being constructed at a cost of approximately $12,000.00. With the raising of this money,

all costs for Grafton County buildings will be fully paid; the final bond for the Almshouse having been paid this year.

The Commissioners wish again to express their appreciation to the Delegation, the various county and town officials and the State Welfare Department for their friendly assistance in carrying out the work of the County.

Again, the Commissioners extend an invitation to the people of Grafton County to visit and inspect the Home. Mr. and Mrs. Birch and the personnel of the Institution are always happy to show visitors every attention.

Respectfully submitted,

GEORGE T. NOYES,
JOSEPH L. GRAHAM,
KENNETH G. BELL

Per Capita cost per week of all inmates, but excluding boarders, employees and guests $13.16 plus.

At present there are twenty employees at the farm. Changes made during the year brought us William Keyes, Sr. and Milo Eastman as turnkeys, Max Robinson as cook for the employees, and Louise Giles, R.N. as assistant in the Hospital.

The crops, while not as large as last year, were sufficient for the use of the institution. The forage crops were exceptionally good. Grass silage having been successfully used last year, the amount was increased to 140 ton this year. The new farm machinery was certainly appreciated and much used.

Milk production has increased. Cattle were shown at Fairs in North Haverhill, Canaan and Plymouth; bringing in ribbons from all, and cash prizes from Canaan and Plymouth.

A few repairs were made to the buildings. The operating room and corridors of the Hospital were retinted, and the white trim of the main house was painted.

The chapel services have been well attended. Rev.

Ivan Nickerson of the North Haverhill Community Methodist Church has held bi-monthly services. Rev. Robert Porter of St. Luke's Episcopal Church of Woodsville has given freely of his time and held frequent services in the chapel. Father Donnelly of St. Joseph's Catholic Church has been a frequent visitor in the hospital.

The social needs of the Institution have been well cared for. In April, a group from the Lyme Center Church presented a program which was much enjoyed. There have been many movies shown by Rev. Hugo Porter and the Orford Community Council and Lawrence Smith and the North Haverhill Fire Department.

The Christmas party was a great success. Eugene Burt acted as Santa and distributed gifts provided by the Commissioners, employees and the following friends: the Lebanon Women's Christian Temperance Union, Mrs. Mildred Lakeway and pupils of the Kilburn School of Littleton, Mrs. Weed and the 4-H group of Woodsville, the Littleton Garden Club, Miss Una Rice and the University Extension groups of Littleton, Salmon Hole, Center Haverhill, and Quincy, Mr. and Mrs. J. MacLauchlan of Hamden, Conn., the Catholic Daughters and the American Legion of Woodsville. To these, to the First National Warehouse of North Haverhill and to all who during the year sent us books, magazines, flowers or other gifts, we extend our sincere thanks.

I wish to add my sincere appreciation to the County Commissioners for their co-operation and counsel in all matters pertaining to the best interest of the County Home, to Mrs. Madeline Kirk for her willingness to help at all times, to Dr. Miller and the entire staff for their loyalty through the year.

Respectfully submitted,
ARCHIE BIRCH, Supt.

We hereby certify that we have examined the foregoing accounts of the Superintendent of the County Farm for the year ending December 31, 1949 and find them correctly cast and properly vouched.

KENNETH G. BELL

CHAPLAIN'S REPORT

To the Commissioners of Grafton County:

I herewith submit my report for the year ending December 31, 1949.

During the past year, worship services were conducted twice monthly. These meetings were reasonably well attended, with many of the women noticeably faithful. An upsurge in male participation was evident when the sunshine and warm weather failed to be serious competitors.

The attention and the enthusiasm of the congregation were both commmendable. Receiving Bibles from the Gideon society enabled many worshippers to follow the Scripture reading, as well as stimulating a new interest in the Bible for them. It was my intention, as the year progressed, to bring the people into closer association with the service by asking questions which required "obvious" answers.

The inmates received a picture of Christ, in addition to religious bookmarks for their Bibles.

On occasion, members of the Choir of the North Haverhill Methodist church sang at the service. At other times, a group of women from the farm comprised a hymn singing, choir. Mrs. Little assisted at the piano.

Visiting the hospital patients was, if not depressing, a rather pitiful experience. They all welcomed any word of hope or consolation.

Several times, I visited the Jail. There, I distributed little religious items and also, a supply of magazines.

It was my impression that the staff was ably fulfilling its duties and obligations to the men and women under its care. A fine spirit prevailed.

I do believe that both religious and civic organizations should be made aware of their responsibility to those confined to the County Farm, and demonstrate their awareness by acts and help, big or little. Appreciation, even for the slightst consideration, is not lacking at the Grafton County Farm.

Respectfully submitted,

IVAN NICKERSON,

Chaplain.

REPORT OF THE COUNTY PHYSICIAN

To the Commissioners of Grafton County:

I herewith submit my report for the year ending December 31, 1949.

It is well to state at the outset that this county institution is of four departments: the almshouse; the hospital; the house of correction and jail and the farm of 760 acres; all of which are under the management of the county commissioners and the direct supervision of Superintendent and Mrs. Birch. It has been my duty and privilege to prescribe for illness in most of these departments.

The hospital continues to serve the entire county of Grafton in caring for many of its indigent patients, a considerable number of them having been sent in from homes or other hospitals for terminal care.

Most of the patients have been well advanced in years and the kind care, which they have received is worthy of commendation; many of them, because of physical or mental incapacity, have required a great deal of individual attention.

Visitors have expressed their impressions as they have gone about the institution and it is a satisfaction to the management that they have often spoken of the neatness and good housekeeping which was manifest in the hospital and almshouse.

Old people require warm rooms and those in this building are always comfortable. The ventilation seems to be perfect, as you will notice in going about; something that is far too uncommon in large buildings where many people are housed. The sanitation is modern and those who make their home here seem to take pleasure in keeping both themselves and the building clean.

The policy of the commissioners in allowing any surgeon to operate on a patient that he refers to the hospital is being continued with satisfaction to all concerned. The hospital has but one aim—to serve.

Emergency cases are always admitted, but before they are sent in, one of the commissioners should be consulted.

I would gratefully acknowledge the valuable coun-

cil of the commissioners, the cooperation of the management, and the assistance of all those connected with the institution.

Respectfully submitted,

E. M. MILLER,
County Physician.
